“ My heart goes out to all his family members and all of my family members that loved him dearly. He was a very special person in our lives for an extremely long time. We loved him! I will miss my favorite brother-in-law! It was always a joy to get to be around him for a while! He could've been a great comedian. He could make me laugh til I had tears in my eyes. He was always one of my favorite people on this earth. Kyle was truly a kind and good hearted person. I will miss picking out word search puzzle books for him...I have some here now that hadn't been mailed yet. He really enjoyed working those puzzles. He told me once that we would always be his family and he was right. May God Bless you all! Diana Fuson Arsenault
