“ *I don't know if it's too late to post this or not. I only found out today July 30 that Lary had passed away. Larry has always been one of my favorite people for the 53 years that I knew him. He was a senior running back when I first started playing football with him at JHS. He treated me nice from the first day I met him. He was a upper class man and I looked up to him. That respect never went away with time. It was always a pleasure to see him from time to time. He will be missed.*

I am so sad to hear of the passing of my cousin, Larry Hines. He was always so pleasant and kind to my family. He was a real help to my mother (and his aunt) Maurice Pendleton Hobbs when she ended up with property in Lee County. Visiting Lee County won't be the same again, knowing that Larry isn't there. Until we meet again, Larry.

We are so sad to hear about Larry's passing! He & Nancy came to Abingdon Manor several times to discuss the sale of the farm with Aunt Eva and Aunt Grace several years ago. I will never forget the kindness he showed them throughout the sale. Larry has also helped us on several occasions with good advice. He was indeed a very good man!! Nancy, Todd and family, we will pray for you in the coming days.
