“ *I've heard it said " Fifteen minutes after they close the casket, people begin to forget". NOT SO. Each person leaves behind a legacy and a witness to others. :Lawrence will always be remember by friends and family that knew who and what a man he was. I will miss my friend and the times we shared. Prayers to the family he leaves behind. We are comforted in knowing WE WILL MEET AGAIN.*

Teresa, I'm so sorry to hear about your loss. You and your family are in my prayers. I remember I saw you and Lawrence at Wal-Mart years ago, I could see the happiness/love you both shared. As always you were smiling and laughing.
