“ *I worked with Leslie a few years back. In an environment where honesty and integrity were rare finds, he was one of the very few who stood out. He was a true gentleman. One who always made himself available to throw in a kind word or offer help when he thought it might be needed. A man who spoke constantly about his dedication to Christ and his love for his family.... and his kitties! Happy knowing that he is now in the presence of our God. Where sadness, fear, illness and pain have no power. Where serenity is truly defined. The world is a poorer place without folks like Leslie in it.*

*May God forever bless Leslie's sweet soul and may He bring healing to his family.
In Jesus' Holy name, Amen*
