“ *Ovella and I would like to send our greatest sympathy to all the family. We did not know about your mother's passing until we received the Cedar Hill weekly bulletin today (Oct. 18th). Graduating with Wayne and Layne, Kaye a few years ahead and Beryl behind; my parents knowing your parents and Ovella working with your mother several years almost like sisters; and joking with her at various church gatherings – her loss hurts deeply and again we give our sympathy to the entire family. Note: I do not look at facebook very often*
