“ *I have just learned of Susie's passing. I always called her Aunt Susie and she was a huge part of my life growing up. My Mother would go down to play Rook with her cousins and we kids would spend many hours playing and listening to Susie, Hazel and Love argue on who was cheating. So many of these beloved family members have gone that im sure in heaven right now there is a rook game going with my mom, Joyce, Susie and all the cousins. Love you always - Tammy*

“ Sue was a faithful patron of mine for several years. I always looked forward to our Friday morning conversations. I've missed her weekly visit since she had her fall in March, and continue to think of her every Friday morning. She was a straight forward yet very kind lady and will be missed by all who knew her. Rest in peace sweet friend. Much love always, Susie Ellis

“ I am so sorry for your loss. She was a favorite teacher at PHS and a friend. She forever instilled in me the importance of keeping up with current events and knowing history.

I just loved her sense of humor. I was going to Radford when she was going to Madison. We were busy talking when we heard a siren and saw blue lights. She was driving about 85mph. We had a good laugh about it.

My mother taught with her at Pennington. Several years ago, we visited with her when I was visiting Lee County. I am so happy that I had that opportunity.
