“ Aunt Maggie, you will greatly be missed, but sweet memories will always be with us. Always the gracious host wanting to prepare a meal or offering to share the meal you were cooking at the time. I remember eating the wonderful biscuits and gravy and the country ham from your own smokehouse, going to the garden with you to gather fresh produce, and you teaching me about saving seed to plant for the next garden. But best of all, the times we sat on the porch and heard about the family and friends and just catching up. Praying for family and friends during this time, and asking for the comfort and peace that knowing we will see you in Heaven one day can bring.

“ I have so many great memories of Aunt Maggie,her cooking,teaching me how to sew,plant and hoe tobacco, canning, working in the garden,and even taking care of her flowers. Aunt Maggie was one of the hardest working,sweetest woman I knew, her home was always open to everyone and she would be upset if you came to her home and didn't eat,dont matter if you had already eaten. I will miss her sweet sole so much but I know she's now with the love of her life and at peace.
It breaks my heart I cant be there to say Goodbye but all my great memories will always be in my heart

“ *A table filled with milk gravy and hot biscuits, country ham, homemade pear butter and so much more. You never left hungry from Bainard and Maggie's home. And you always had to walk the yard and look at her flowers. Thank you, Maggie, for so many beautiful memories. We love you so much. Rest In Peace. Ransom's children, Sue, Randy, and Mike*
