I was really good friends with her in the first two years of high school in Fairfax, Virginia, before she moved to Florida-- and I visited her down there! I have been looking for her for over a decade. I am sorry to see that I am too late... I loved her a lot, and I hope that she passed without pain. My condolences to her friends and loved ones.

“ *My deepest condolences for a true lady that I never physically met, but worked very closely with over the past few years. She was a friend, and a business associate, that I trusted, and appreciated for her fun personality. I will miss Maria, and will think of her often. Her family and her work family are in my thoughts and prayers. God Bless! Angie Pope...Marvair*
