“ *Many days together hunting, fishing, riding around looking for groundhogs, looking for arrowheads, or just setting around on his Dads porch will never leave my mind and memory. We worked together, done family things together, went through thick and thin together. No one will ever know how much I will miss my best friend. We talked about everything in our lives and was with each other for his Fathers death and his daughter being born. We shared each others problems in life. In short, Chalkie I will miss you greatly!!!!*

So sorry for your loss. I am originally from Jonesville and the same age as "Chalky", we either graduated together or were close in grades. We've lost a lot of our Virginia graduates. May the Lord grant you peace and comfort in your time of loss
