“ *I am so thankful that God sent Mary to be a part of our church family. She always had a smile and an upbeat attitude. I was always so happy to see her come in and even happier when she got up to sing. It has also been a blessing to get to know some of her family over the years, you guys are truly a joy to be around and we love you all. We will miss her terribly but I am so grateful for all the memories. We'll see you later Mary.....and go Vols!*

“ *I met Mary when we lived in Pennsylvania, we became friends instantly. We were inseparable (except when we were grounded).We were a couple of lil stinkers. When we graduated she and I lost contact. I moved to Tennessee and found her on facebook. We finally after 43 years got together on her 60th birthday. We laughed at some of the silly stuff we used to do (There was plenty). I have been so blessed to be her friend. I know I will see her in Glory when my time comes.I bet we still will laugh at the crazy stuff we have done. No one could ask for a better friend. Love u Mary R.I.P.*

“ We are so thankful for the opportunity to meet Mary a few years ago when she came to visit her sister Irene in PA. She immediately treated us like family. We will forever treasure the memories made sitting around singing together as Mary played her guitar. As a result of those treasured times Pastor Buddy has learned to play guitar, after her encouragement. We can't wait for the day we are reunited with her and can sing praises to the Lord in all eternity. We will be praying for Bruce and the rest of the family in the days and weeks ahead.
