“ *Matthew will forever be the kindest, funniest person I've ever met. There hasn't been a single time he's not lit a whole room up full of laughter and smiles. He has been my best friend for the last 5 years and I honestly don't know how I'm going to do it without him here. I have over 1,000 memories I could share about him and how he impacted my life tremendously.. he will live on within us and I know he will watch over all of us. My heart breaks for all of his family and close friends. I love you Matchew 🥹🕊️*
