“ *Once when we were down visiting Aunt Myrtle --she had gone to bed and we stayed up watching something on tv with her son Ronnie. I got out a bottle of wine that I had brought with us leaving the half filled bottle on the table. The next morning--she made the comment that she "had gone to bed much too early it looked like to her "---as she looked at the half filled bottle of wine!
She was part of an era that is not found anymore! She was special and we loved her dearly! Bob and Sandy Smith*
