“ *Taylor. Losing someone you love as much as you did Nancy will take time to adjust too But I do know that she loved you as love only a grandmother could have. You held her hand as you grew and well into your journey as an adult Nancy will now hold onto your heart. Our love and prayers are sent to you and Missy and Todd. And though our earthly bodies may wear out the Love that held us to each other will go on forever and a day. Love Aunt Kat*

Nancy was a great friend. We used to run around together, Nancy, Patti Orr, Linda Starnes and myself. We had so much fun when our hubbies were Senior fire dept members. Nancy will be missed by the entire community.
