“ I know this is very belated as I just learned of Nancy's passings. I was one of her managers at SAIC during the late 2000s. I had lost track of her and one of our coworkers just asked if I knew she had passed. As her manager I always appreciated her work ethic and knowledge, plus her very caring spirit. She shared with me about the unknown entities in her home and how she talked like it was normal. Had me worried sometimes. I am sure she is missed. My condolences to her family.

PS

“ We are so very sorry for your loss. Our prayers and love to the entire family. We remember fondly when Nancy, Sandra, & Mary Lou (Jerry) would come to Aunt Grace's house to visit. Plenty of food and good times were had. We did not make it in time for graveside services this morning, but made a point to say a special prayer over her at Silverleaf this afternoon. With all the love & sympathy in our hearts. ❤️ 🙏 🙏
