“ *Sissy, Brenda and Johnny....as your childhood neighbor, I have some really great memories of your Mom and Dad and especially you three. Your Mother was my Sunday school teacher and I always respected her and loved eating her breakfast when I spent the night. It's so hard to lose your Mom and she was so full of life and I pray you find peace in the coming days ahead. I hope all of you find comfort in each other. That's what me and my brothers do as we miss our Mom every day. God be with all of you and your families.*

“ Thinking of you and wishing you moments of peace and comfort as you remember Opal. I remember her as a lovely lady with a beautiful smile. Even though there is joy in her home-going there is sorrow in your loss.

“ We are saddened to learn of the passing of this precious lady. She was, indeed, special and certainly contributed to the education of many in our community. She was so kind and considerate of others--- never failing to ask about our parents. She will be missed.
