“ *Annette was one of the kindest people I have ever known. She lived her life as Christ-like as any person could live. Her love and caring for people in need and her faith in God was a testimony to all who knew her. It's been many years ago, but I will always cherish the love and care she gave to my baby boy, Daniel when I had to go back to work. May God's peace and comfort be with her family at this time.
