“ Peggy, you were the quintessential southern belle. Graceful, outspoken, intelligent, pragmatic, religious and dedicated to helping your community . You never minced words with me when I was wrong and strongly backed me when I was in the right. That kind of person is rare and priceless as a friend. I'll be lost without your guidance as I navigate this Virginian way of life. I aspire to be even half the woman you were. I will truly miss you but will remember everything you told me during our short friendship.

“ Jody, our hearts go out to you and all the family. Peggy was such a lovely, warm, sweet lady, and she had a great sense of humor. Dave and I fondly remember the time when she and Wayne came to Dave's SAR district dinner in Johnson City, their visit to the Netherland Inn, as well as other events where we got to spend time with them. We wished there could have been many more but we were blessed by those special times. We love you and will be praying for the Lord to give you and your family comfort and peace.
