“ People always ask me what the best part of my childhood was and my answer is “You”. There is something about childhood friends that you just can’t replace. They are friendships imprinted on our hearts that will never be diminished by time or distance. We didn’t realize at the time that we were making memories, just that we were having fun. Thank you for all the great times. Your memory will live forever in my heart.

Tried to share a picture and it didn't pull up. Love and prayers to Lee, Jess, Irene & Patsy! Gonna miss a great friend. We have been friends since our early childhood. We were saved and baptized at Chadwell Station Baptist Church. I can hear her playing her guitar and singing For God so loved the world. I will forever cherish those memories!
