“ *My "Papaw" was truly a " Great Man " who will be missed by all who knew him. Funny thing is no matter what I could call the house & somehow he always knew it was me on the phone just by my voice. I can remember spending the summer vacation in Virginia with him & Mamaw when I was only like 5 yrs old, believe it or not as far as I can think back his looks never did change in 33 yrs except for a few more wrinkles. I learned a lot about hard work, family, & Unconditional Love from him & Mamaw. It didn't matter what was going on in my life the two of them never looked down upon me, or treated me any differently. I love My Papaw with all my heart & there is not a day that goes by that I don't miss him. I know you're happily reunited with Mamaw now probably having biscuits & gravy for breakfast. I sure do miss them days of buttermilk biscuits, couldn't no one top Mamaws... I'm Jealous... Give her a big hug & kiss from me & tell her I love her & miss her alot even though I know she already knows... I LOVE YOU PAPAW....*

LOVE ALWAYS,

YOUR GRANDDAUGHTER ROBIN
