May 19, 1963 - April 14, 2023

Roger Gene Alexander, 59, of Blackwater, VA passed away unexpectedly on Friday April 14, 2023, at his home. His family and friends are deeply saddened by his sudden death. He was born in Saint Charles, VA on May 19, 1963, to Alice Carter Alexander and the late James Edward Alexander.

In his younger years, Roger liked to travel and visit all different places and people. He somehow always found his way back home to the mountains of Virginia. He was a kind and loving son, father, grandfather, and friend to many. Roger always enjoyed spending time outdoors, whether he was alone hunting, fishing, farming, or spending time with family and friends doing other things he loved. He was always dedicated to helping his parents, children and friends in any way that he could.

Roger always knew how to make everyone laugh and how to make the best of any situation.

He was a simple country man that truly loved and served others. He considered all of his friends to be "family" and he treated them all as such.

"Death leaves a heartache no one can ever heal...

"Love leaves a memory no one can ever steal...

"Your life was a blessing, "Your memory a true treasure...

"You are loved beyond any words, "You will be missed beyond any measure...

"And think of him as living in the hearts of those he touched...

"For nothing loved is ever lost and he was loved so much...
