“ So sorry to hear that Riger passed away. About 1990 I was on a softball team in Front Royal called Nautilus Gym. When the summer season was over he recruited me to play fall ball with the Logger's. What a great team, great coach and great memories. Thank you Roger for believing in me. My deepest condolences to the entire family.

“ Roger was one of our Superhero dad's in Girl Scouts, he also took care of our little Daisy girl when we needed someone to watch her. Our families grew close throughout the years and we were able to share pictures of our new addition in our family with Roger shortly before his death because he loved his babies. He has also shared his princess, grandchildren and wife with us. We are praying continuously for the whole family at the time and days, weeks, months and years ahead that they need. Love you all, Peggy and Refa 💕

“ I don't have a memory of Mr. Speck, but of his wife Debra. She has been my mail carrier for years and just by chance shared a birthday party at my former church with one of her family members. Debra. I am so sorry for your loss.
