“ *The fondest memory of Mouse that I have is when Stan and I took Beth to see as she called him "Uncle Mouse" although he was her cousin, we stayed and talked for a long time, after a while we noticed that Mouse was coming through the hallway with a Folger's Coffee can full of change, he handed it to Stan and told Beth to buy what she wanted to, we went the next day and Beth picked out a playhouse that she wanted and also had enough money left over. She told us that she wanted to buy Uncle Mouse something, and she did, what it was I can't remember but before going home we went by Mouses house and she gave him a big hug told him she loved him and gave him what she bought and then said LOOK UNCLE MOUSE WHAT I GOT!!!! He was a very special man in our lives as all of our family members are, but Mouse was a special kind of special, he was like a brother to Stan and treated me like I had been part of the family all along. Mouse with that pretty smile and the loving way that you joked or told a story, share it with the Angels, until we are reunited again. Rest peacefully, we love and miss you dearly. Love Stan, Tracy, and Beth*

*I never really knew him, but my heart goes out to those who did. I am so sorry, Em, Jay and Joyce, we have been there. It is tough. Time heals. He died way too young. So So Sorry!*

*Please know that I will be praying for the family of Ronnie. I met Ronnie in 1990 while working at Quik Stop in Weber City, VA. He would come in to buy diesel for his milk tanker. He was quiet and very nice. We dated for several months and he bought me a huge teddy bear...he was like that teddy bear, big but gentle. Good memories. Very sorry for your loss.*
