

Rose "Cecil" Kinder Glass

December 6, 1936 - May 16, 2018

Rose "Cecil" Kinder Glass, age 81, of Jonesville, Virginia, went to be with our Heavenly Father, Wednesday, May 16, 2018 at her home.

Rose was born in Jonesville, Virginia, on December 6, 1936, to the late William "Bill" and Lottie Gibson Kinder. She was a proud graduate of Flatwoods High School (Class of 1953). She was happily married to Don E. Glass on July 10, 1953, and celebrated 65 years of marriage. She attended Cedar Hill Christian Church and was a member of the Russell Chapel United Methodist Church.

Rose was a stay-at-home mother who was very loving and supportive to her family and friends. Being a devoted Christian, she provided outreach to her church, community, friends and family wherever or whenever a need arose. She loved working in her flowers - especially her rose garden where yellow was her favorite, as yellow roses were her wedding flowers.

She is survived by her husband and love of her life, Don E. Glass, Jonesville, VA; three children, Randal W. Glass and wife, Alicia of Maryville, TN, Michael E. Glass, Jonesville, and Karen Glass Carter and husband Charlie, Jonesville; five grandchildren were the center of her love and devotion that she so enjoyed spoiling, Austin Glass and wife Tressa, Devon and Cody Carter, all of Jonesville, Brandt Glass, Maryville, and Mason Glass, Jonesville; as well as

numerous nieces, nephews, family and friends that were so special to her.

The family will receive friends from 6 until 8:00 p.m. Friday, May 18, at Robinette Funeral Home in Jonesville. The funeral service will follow at 8:00 p.m. with Rev. Jim Myers officiating. Graveside services will be held at 10:00 a.m. Saturday, May 19, in the Frazier-Glass Cemetery.

Pallbearers will be Austin Glass, Devon and Cody Carter, Brandt Glass, Mason Glass, Seth Glass, Dusty Glass and Greg Glass.

In Lieu of flowers, donations may be made to the Frazier-Glass Family Cemetery at Powell Valley National Bank.

“ Cecil, You were in my life for 23 years- and my mother-in-law for 17 of those years. You taught me many things that I will carry on for the rest of my life.. especially about cooking and sewing. Lord knows I couldn't hardly boil water when I first got married. But you were only a phone call away and always gave me advice. You were the most devoted wife, mother and grandmother I ever known. The earliest memories I have with you is in the tobacco patch when we would pull plants and set tobacco. I had never stepped foot in a tobacco patch before- so I guess you taught me how to do that as well. I'll never forget your good cooking...you were the best cook ever. I want to thank you for being a wonderful grandmother to my son. God could not have given him a better granny. Mason adores you and I know you adored him as well. I will never forget you and will miss you so much. I love you Granny and thank you for everything!
Love Always,
Denise

“ Don, Randy, Mike, Karen and families,
We pray you know His peace at this time of grief. It's never the right time to say goodbye, but we'll be with Cecil again! She leaves the world a better place for being the kind, sweet heart she was. What a great legacy!

“ *Don and children: Claude and I were sorry to hear of "Cecil's" passing. We are in Tazewell or we would have been there for you-all. I remember when she graduated from FHS as you-two were seniors and I was one of first graders who led you seniors in the gym. There are lots of memories in our community and she will be greatly missed by everyone. God be with you in this time of need.*

“ *I have such fond memories being around Cecil and the rest of the family. From playing in the yard on Sunday's, the playhouse in the backyard, all the ballgames at FHS, as well as the trip to San Francisco for FBLA, Cecil made me feel at home and at ease. I am sorry I will not be able to be there, but I just want you all to know what a wonderful lady Cecil was and that all of you are in my thoughts and prayers.*

God Bless,

“ Dear Don and family, may my wife and I share our sympathy. I've known the Glass and Kinder family from the time I can remember. It was always so pleasing ever Sunday morning to see both your faces sitting in the back row. I've choked back tears many times thinking of your dad, Cecil's dad, and my dad, all three having gone on many years before; and now to know the time has come that each of us are going down that path one-by-one – passing through the birthing canal to eternal rest where we'll rejoice together for evermore. Though we will not be able to physically be with you during these sadden hours our spirit adjoins you and the family.

“ As a young boy from up north it was always a lot of fun "to go back home" with my parents. Meeting relatives in the south was made all the more interesting because there was this beautiful cousin that live just down the road. Over the years as we would visit she was most kind and thoughtful. She holds a special place in my memory as I am sure she does for those who had the fortune to see her more often. I know she was a source of great pride for her father and mother. Don and the family are surely feeling the loss or one so loved. I pray that the memories and experiences they shared with her will be a source of comfort in the coming days. I know God has welcomed her into that great home we call heaven. Charles & Gale Graham
