“ *Mom and I just learned of her passing and are sad to hear of the loss of another Blackwater neighbor. Mom knew her better than I, but I know that my family was very fond of her, as we are those she leaves behind. We hope that your hearts are comforted by knowing that her struggles are over and that the separation is only temporary.*

“ *Aunt RoseLee, I always made sure I'd get to see you when I was in Blackwater. I can remember sleeping over a little over 10 years ago and you were up before me with breakfast almost made. When I think of pure, loving, sincere people, I think of you. You will be missed dearly and thought about often. Love you.*
