“ Sharon is going to be so missed. She was always just a phone call away. Always there ready to help if she was needed. Supportive, loving, putting herself last. Her and I had so much in common we both lived for our nephews and parents. I will miss her so bad, everytime I heard some news my first thought was always just wait til I tell Sharon! But she is at peace now and I know she is in heaven

My heart is very sadden by such a great loss, but oh what a wonderful journey you are on now, no more pain, no more sickness, and once again just letting your light shine, keep me close for you will always be in my heart as a wonderful true friend.
