“ *Savanna, my name is Mandi and I'm a second year at UTCVM. I'm so sorry to hear of the loss of your mother. I lost mine to cancer on August 9, 2010 and I know how much it hurts. I'm glad you chose to spend this semester with her instead of at school. I would have made the same decision. I know we dont know each other but if you ever need to talk to someone who has kinda been in your position you can talk to me.*

*I have loved Teresa as a friend and sister-in-law. As a very young lady she taught my daughters to swim. I always remember her with a quiet, pleasant expression. She had such a kind, gentle spirit. She was a devoted mother and daughter. Savanna is her pride and joy. My love and prayers are with this family, especially her sweet daughter, Savanna and her loving mother, Phyllis. May God bless and comfort you and give you peace.*
