“ *Tim Walters was my best friend and
My brother In-law
He always called me sis
Tim was kind and caring
His daughter April was his whole world
besides his beautiful mother Linda
When I would have something bothering me
He would hug me
The take one hand and tell me to look at him as I would cry
He said T.T.
Look in my eyes
You remember this
Never let anyone make you feel so sad
Hold your head up
And Remember always sis
No matter what's going on in life
I love you and you can always count on me
He never once after that let me down
He would drive fro state to state
No matter how many hours it would take
He came as soon as I would tell him I need him
He was a man of his word
He's dearly missed
But he will never be forgotten*
