“ Cousin Virginia was a light in my life. She was always interested in genealogy and taught me so much about the Slemp family. I enjoyed working with her on projects in Lovelady DAR especially the historical road markers. After covid, I always looked forward to our chats on "phone Fridays". We attended Bible Study together for a few years at Jonesville First United Methodist Church, and she always contributed an insightful view point. I was always an apt pupil to her teachings. She was never my teacher in school, but was definitely my teacher in life. Virginia enriched my life so much and I will miss her dearly.

“ Virginia was one of the kindest and most thoughtful person who I have ever meant. When I moved here over 50 years, she was the first person who welcomed me and helped me to feel part of the community. My thoughts and prayers are for Jerry and to all of those who loved Virginia and I know she will be missed by many. Rest in Peace dear friend.

Jerry, I am so sorry. She was my best bud through high school. We never belonged to a click but had the greatest friendship for so many years. Looked forward to reunions every year. My love to you and it was a pleasure knowing you even though our friendship was through Virginia. God Bless. I'm sure she is teaching a class up in heaven.
